At Quality Equipment LLC, the highest compliment you could give us would be to refer your friends and family. We work hard to create the kind of experience our customers want to share with others. When you share your positive experience with Quality Equipment, we'd like to say **Thank You** for your referral by rewarding you with a \$100 discount toward a future purchase of parts, service or equipment. These discounts will be awarded for a new customer referral* that results in the sale of a 1 through 5 Series™ John Deere Tractor, John Deere Gator™ Utility Vehicle, X700 Series Lawn Tractor, or ZTrak™ Commercial Zero-Turn Mower.** We'll thank the person you referred with a \$50 discount, too!

Contact your local Quality Equipment Sales Representative for more details.

www.QualityEquip.com/about-us-locations

* This program may be modified or cancelled at any time and without notice. To qualify, the "new customer" must be an individual, not a company, that has not purchased a similar, new John Deere tractor, Gator, or ZTrak™ Commercial Mower at any time, from Quality Equipment, in the previous five years. **The referred customer must purchase an eligible machine with a price, excluding sales tax, in excess of \$7,000 to qualify. There is no limit to the number of referrals you may make.
